

Leaders and Legends Luncheon - October 17th

Please plan on joining us. Read more details about this event and how to get your tickets and tables.

Hall of Fame Gala Reimagined

We are reimagining the Hall of Fame Gala to become an inspiring luncheon featuring a Shark Tank-style competition between Junior Achievement 5th graders! We are also shifting from honoring three Laureates inductees to celebrating a single inductee each year. This new format will allow us to bring more attention to the entrepreneurial spirit of our students, while still continuing to honor excellence in our community.

This is our signature event, which helps us to raise funding support for our financial learning programs that last year reached 13,161 students across our 13-county service area of Northern Nevada. Our goal over the next three years is to double that number with your help!

Thank you for considering to support Junior Achievement of Northern Nevada.

NEW -- Shark Tank Style Competition

New this year is our Shark Tank Style Competition featuring 5th graders. These young entrepreneurs from Junior Achievement will have a chance to pitch their business idea to a panel of esteemed judges. This new format will highlight the entrepreneurial spirit of our students while continuing to honor excellence in our community.
