

November 2025

**Gratitude shared. Hope renewed.
Opportunities created.**

At Junior Achievement, we believe every student deserves a future shaped by choice, not chance. Thanks to our incredible partners, volunteers, and supporters, thousands of students gained real-world skills and the confidence to dream bigger. Together, we're reimagining education and expanding what's possible. Let's keep creating opportunity in 2026!

Countdown to #GivingTuesday!

On December 2nd, you can help us deliver hands-on, real-world learning that prepares students for a rapidly evolving economy. Your support fuels confidence, capability, and choice-filled futures. Visit JA-NN.org to learn how you can be a part of this movement. Together, we create opportunity!

Please consider partnering with us by marking your calendar to make your **#GivingTuesday** gift to Junior Achievement. Want to help us now? [Click here to make your donation today.](#)

Celebrating Our Board of Directors

We have exciting news! We have earned the 100% Giving Board Award 2025 from the Community Foundation of Northern Nevada. Junior Achievement of Northern Nevada is making a difference in our community through inspiring youth to succeed in a global economy by teaching students how to manage money, be career ready, and start a business. Please join

us in thanking our [Board members](#) for not only giving their time and talent, but also their treasure to impact youth in our community. [Click here](#) to find out more on how to get involved as a volunteer.

Empowering the Next Generation: JA Personal Finance Program Wraps Up Fall Session

November marked the conclusion of our Junior Achievement Personal Finance Program with 40 students at Yerington High School, and what an incredible journey it has been! Over the past several weeks, local high school students dove into real-world money management skills that will serve them for a

lifetime.

Through interactive lessons and hands-on activities, students explored topics like:

- Earning, Employment & Income – Understanding how careers and paychecks work.
- Budgeting & Saving Strategies – Building habits for financial security.
- Credit vs. Debt & Credit Scores – Learning the power (and pitfalls) of borrowing.
- Consumer Protection & Smart Shopping – Making informed choices in a digital world.
- Loans & Bankruptcy – Navigating financial challenges responsibly.
- FAFSA & Financial Aid – Preparing for college costs and opportunities.

Each student walked away with confidence and knowledge to make smart financial decisions. These skills don't just prepare them for adulthood—they empower them to dream bigger and plan for the future.

We are proud of these young leaders and grateful to our volunteers and educators who made this program possible. Check out the photos above to see the smiles and success stories from this fall session! [Learn more](#) on how to get involved or bring a JA program to your classroom.

Your Investment in Youth Creates Lifelong Impact

The best return on investment isn't measured in dollars—it's seen in stronger communities and brighter futures. Supporting youth economic [mobility changes lives and builds resilience for generations.](#)
