News on Inspiring Youth, Shaping Futures

BizTown UPDATE

We are thrilled to announce that Junior Achievement of Northern Nevada (JANN) is expanding in a big way! The launch of **JA BizTown** is planned to come to Northern Nevada next year. JA BizTown combines in-class learning with a day-long visit to a simulated town. It is an immersive, hands-on learning experience to local 4th-6th grade students. This innovative program will empower students to run a simulated town, apply financial literacy skills, and explore real-world careers -- all in one unforgettable day. Year-in-Review

We are pleased to share our outcomes from the past year with you. Specifically: nearly 13,000 students across our 13-county serve area of Northern Nevada were reached. Close to 300 volunteers taught our curriculum, helping young people learn about financial literacy, work/career readiness, and entrepreneurship. We extend a heartfelt thank you to each one. Along with the teachers and schools who partnered with us to come in their classrooms.

SAVE THE DATE!

Each year community leaders from across Northern Nevada attend our annual Gala Event. This year, we are reimagining the Hall of Fame Gala to now be an inspiring luncheon that not only honors Leaders & Legends. But ADDS a Shark Tank-style competition highlighting young entrepreneurs from Junior Achievement 5th graders who will have a chance to pitch their business idea to a panel of judges. We will also shift from honoring three inductees to celebrating one standout community leader each

More Highlights to Share

Other success from the past year:

- JA Inspire Career Day was held in partnership with TMCC, Academy of Arts, Careers, and Technology and Dilworth Middle School schools, along with community businesses.
- In partnership with JA Southern Nevada, a JA Inspire Virtual Fair was held that had ~25,000 high school students participate statewide.
- Co-hosted with Junior Achievement of Southern Nevada 5th graders from Mariposa Academy of Language & Learning for a Day at the Legislature.

Thank You to Our Supporters

We are grateful to all of our volunteers, donors, and funders who helped make each event a success this past year, including our Bowl-A-Thon and Fairways to Financial Freedom Golf Tournament. These events help us raise the vital funds necessary to continue our work inspiring and preparing young people to succeed in a global economy. We do this by teaching them how to manage money, create jobs, and be responsible citizens, helping them realize their full potential. JANN continues to grow our outreach, adding more schools every year. But our growth depends on our donors in order to expand locally and across our 13-county service area.
